

SVIMS

South Vancouver Island Mycological Society

Meeting and Presentation

When: Thursday, Apr 5, 7:00 pm

Where: Pacific Forestry Centre
506 West Burnside Road
Saanich, BC

Russula sororia
Comb Russula

What: Talk on

"Benjamin Woo's Russula herbarium: How Herbarium Collections Contribute to Science"

Who: Anna Bazzicalupo

Anna grew up in Naples, Italy. She did her undergrad and masters degrees in Scotland, then moved to BC six years ago to start her PhD at UBC. Anna has been studying the Russula species of the Pacific Northwest, one of our most common, yet most difficult, macrofungi taxons.
